## Carpenter / Service Technician

### Join Our Team

We are seeking a skilled and reliable Carpenter / Service Technician to join our team. This position focuses on service work, warranty repairs, deficiency corrections, and small renovation projects across a variety of commercial, institutional, and residential properties. The successful candidate will take pride in delivering quality workmanship, maintaining strong client relationships, and working independently to resolve construction-related issues.

### Key Responsibilities

- Perform carpentry repairs, warranty work, and deficiency corrections.
- Complete tasks including drywall repairs, door and hardware adjustments, ceiling repairs, trim installation, and millwork repairs.
- Carry out small renovations, tenant improvements, and general maintenance projects.
- Assess site conditions, identify issues, and determine appropriate repair solutions.
- Communicate professionally with clients, tenants, property managers, and project stakeholders.
- Maintain a clean, organized, and safe work environment at all times.
- Provide updates on project progress and complete basic documentation of work performed.

### Qualifications

- Several years of experience in carpentry or a related trade.
- Experience with renovation, finishing, and service work is considered an asset.
- Ability to work independently and manage multiple tasks effectively.
- Strong problem-solving, organizational, and communication skills.
- Valid driver's license and ability to travel to various project sites.
- Physically capable of performing construction-related duties, including lifting materials, climbing ladders, and working on active job sites.
- Effective verbal communication skills in English; French is considered an asset.
- Ability to obtain Government of Canada security clearance.

## **Working Conditions**

- Work is performed at construction sites, commercial facilities, and occupied buildings.
- Duties may involve both indoor and outdoor work in varying weather and site conditions.
- Travel between project locations may be required.

If you are a motivated tradesperson who takes pride in quality workmanship and customer service, we encourage you to apply.
